PRINCIPAL'S MESSAGE

Constituted on civil-military models of quality education and character building of students from Middle to Higher Secondary levels, Cadet College Ghotki has been rising as a progressive seat of learning and training since its establishment in 2010. By producing excellent academic results and making inputs into Armed Forces of the country, it has carved out an outstanding place amongst its sister institutions of the country. Located on National Highway N-5, in proximity of airports (Sukkur and Rahim Yar Khan) and railways, the college is easily accessible by all modes of transport round the clock. Furthermore, surroundings of the countryside with its productive lands, adjacency of the ever flowing Qazzi Canal and proximity of the District's Natural Safari Park multiply not only the peripheral beauty of the college but also ensure a conducive environment for the psychological and physical growth of the students. Within the premises, and spacious Boarding Houses, fitted with Evaporating Cooling System, and class rooms provide students with a comfortable atmosphere for residing and studying simultaneously. Along with provision of medical and psychological care, intensive attention is paid to provide them with balanced diet in their routine meals. Equipped with highly qualified faculty and state-of-the-art facilities, the campus offers a highly qualitative medium of instruction to the students. The Board classes (IX-XII) are educated in accordance with Syllabi of Sindh Text Book Board, while students at Middle level are taught Oxford syllabi. Given the increasing significance of fields of information technology, a part from Pre-Engineering and Pre-Medical, students are offered to choose computer science as a distinctive field at their secondary level of education as well. Extensive focus is put on improvement of English Language of students through implementation of specially designed courses, extra coaching and applying group discussion and public speaking strategies. Similarly, science subjects are taught with an objective of cementing basics and creating an urge for critical inquiry during theory and laboratory classes. To nurture students' faculties of self-confidence, motivation, oratory, art and literature an equal emphasis is laid on organizing co-curricular activities frequently intra and inter house levels. In addition, through regular sports, drill and physical training, students are kept mentally and physically fit. In a nut shell, with a vision of adorning youngsters with quality education and positive character through strategies of wholesome development of their personalities, the incumbent leadership under Chairman Board of Governors, aims at toiling hard to achieve excellence for the institution in all spheres. With this vision to the core of our heart, we warmly welcome the prospective students to this flourishing centre of knowledge and character building.

MESSAGE FROM DIRECTOR OF STUDIES

'Education is the first step to creating prosperity and quality and we, here in Cadet College Ghotki, continuously strive to extend the reach of high quality beyond the barriers of cultural boundaries.

Since the foundation of Cadet College Ghotki, we have been deeply committing ourselves to inculcating in cadets a disciplined way of life based on the civil-military models of character building with an objective to enable them to face challenges of life with knowledge, competence and character. Apart from quality education, cadets from their very first day at the college are lessoned how to sharpen their skills of self-development. A comprehensive focus is put upon their learning, health, psychology, boarding and corporeal needs.

However, provision of quality education is the prime objective of ours which cannot be achieved without sustaining the benchmark of highly qualified and trained faculty. We have, indeed, a competitive faculty, educated from country's high ranking universities with post qualification experience in the best institutions, who teach with passion and having fatherly interactive relationship with the cadets.

The campus is magnificently built. All Classes and Labs are well equipped with facilities such as projectors and internet to educate through modern means of teaching. To enhance cadets reading habit and creativity, each class is allotted a reasonable number of library periods. Regular public speaking classes, on weekly basis group discussion periods are also conducted for developing cadet's confidence, language and oratory style. A student counselor is also employed to motivate and train cadets to sustain their emotional health.

The learning assessment of the cadets is done through spot tests, class tests, regular fortnightly MCQs tests term examinations and annual examinations. Besides giving encouragement and awards to position holders, for slow learners extra coaching classes are arranged so that they must effectively catch up the syllabus.

We believe in teaching with nontraditional and qualitative approach so that a student of ours can effectively compete with his counterpart at national and international levels.
